

Kick-off: 7.45pm, UCD Bowl, Tuesday 22nd March

We have had a difficult start to the season so far with Friday nights defeat against Waterford United adding to our opening night defeat against Limerick FC. Those results were sandwiched between victories over Cabinteely in the league and Crumlin United in the Leinster Senior Cup. Speaking tomorrow night's game against Bray Wanderers Collie knows his side are going to have to perform a lot better if they are going to process against Bray Wanderers.

"We know we will have to play a lot better tonight than we have been if we are to have a chance of progressing in this competition."

"Bray Wanderers are going to be an extremely tough test for us. It is always difficult playing against Premier Division opposition. They are in a similar position to us and will be disappointed with the start they have made. They have made a number of good signings over the winter and will be looking to push on now over the coming weeks as their side begins to gel."

The game will see both Ryan Swan and Kieran "Marty" Waters face their former club, however there will be no return for Jason Byrne as he continues to miss out with the calf injury which has kept him out of our opening games of the season.

Ahead of tomorrow's game, Cathal Brady been added to the injury list, with Jason Byrne, Jack Watson, Samir Belhout and Greg Sloggett all missing out. Brian Shortall will miss the game as he serves the final game of his three match suspension.

Match Preview: UCD AFC vs Bray
