

In line with current Government guidance, and the FAI Safer Return to Football protocols, the attendance at our upcoming game against Longford Town on Friday and Shamrock Rovers II on Friday 7th August will be strictly limited to 200 people, including players, staff and officials of both clubs along with all match day staff.

In light of these restrictions, attendance at the match will be strictly on an invitation only basis. Unfortunately due to the current regulations we will not be in a position to allow any individual to purchase tickets for the game at the ticket office on the night of the game.

Similarly, any media wishing to attend the games must register in advance following the normal process by emailing Conor.mc-Carthy.1@ucdconnect.ie . Any applications for accreditation not

Club Statement: Attendance at Games

Wednesday, 29 July 2020 16:55

received a minimum 48 hours in advance unfortunately will not be able to be considered under any circumstances.

These regulations and our procedures will remain under constant review and will be subject to change in line with Government and FAI guidelines. We place the health, wellbeing and safety of all players, staff, club officials and supporters at the highest priority.
