Conor joins the club having spent the last four years with Reading FC, and is also a former Irish under age international.

Friday night's 1-0 victory over Athlone has moved us seven points clear at the top of the table with five games left to play, and Cabinteely are the visitors to the UCD Bowl on Friday night at 7.45pm.

Conor has signed on an initial contract until the end of the season. However he knows the importance of securing his future with a good education and is currently looking to secure his place on the UCD Access Route, with the ultimate goal of taking up a full time scholarship to do a degree in UCD.

Collie is delighted to have secured his man, and feels he will add a lot over the coming weeks.
