*Excellence through Sport and Education*

This agreement offers the players of Mount Merrion Youth Football Club the opportunity to sample the quality of coaching at UCD and also enjoy some of the facilities on offer to UCD's players.

In recent years there has been a large number of Mt Merrion players on all UCD's teams, including the First Team. Players of the calibre of Evan and David McMillan have moved through ranks along with current Leinster Senior League midfielder Fran Moran.

With each season that passes the link between the two clubs grows stronger and the opportunity is there for more players to follow in these players' footsteps.

This partnership has been enhanced this year through the introduction of the brand new [UCD AFC Mount Merrion Academy](#) which you can read more about
