

UCD AFC's trip to Mt Merrion's Academy was a roaring success with Collee getting a great welcome.

Martin Russell, UCD AFC's Collee and members of UCD AFC's First Team squad made the short trip up the road to Mount Merrion's training Academy. Martin Russell directed a training session with over 50 boys and girls involved.

The essential skills of shooting, dribbling and passing were all covered with the kids encouraged to try out their own skills in the small sided games.

The first team squad wrapped up the event with a display of their own skills. An impromptu game of head tennis saw some dazzling tricks and flicks pulled off with Dean Marshall covering himself in glory.
