Deerpark was transformed into a sea of colour on Wednesday evening as hundreds of boys and girls took part in the first day of Mount Merrion's Mini World Cup event. The annual event takes place over 5 days and with under 7s to under 10s competing for the top prize.

UCD AFC's Collee was on hand to wish all the competitors good luck and he stopped for a few photos too. No better way to begin a World Cup tournament than with a good luck message from UCD's biggest fan.
