

UCD AFC's Students in Schools swung back into action in January.

Martin Russell and Ger Barron made the short trip to Oatlands College to kick off UCD AFC's "Students in Schools" programme for 2012. Two groups of 5th year students welcomed Martin and Ger as they looked forward to participating in UCD AFC's 4 week programme combining educational topics and soccer coaching.

Over the 4 weeks Ger and Martin covered education in UCD, UCD AFC, Scholarships, nutrition and much more in between. Garrett from Show Racism the Red Card was also on hand to deliver a workshop aimed at raising awareness of racism in sport, and life in general, and ways in which we can combat its effects.

Oatlands College have already signed up for another "Students in Schools" programme in March and we look forward to heading back to meet a new group of Students in a school that has always given UCD AFC a warm welcome.
