

UCD AFC first team members visited the Shanganagh Summer Project in Shankill last Wednesday.

Stephen Roche, Paul O'Connor and Eoghan O'Malley joined more than 40 boys and girls from Shankill to take part in a soccer coaching clinic. On a wet and windy day the boys and girls, and the coaches braved the elements to run through their skills. When it got too wet they all hopped on a bus and used Loughlinstown Leisure Centre's indoor facilities. Come 2 o'clock a great day had been had by all and the children left with a UCD AFC goodie bag.
