

Red Bull and Elvery's visited the UCD AFC Superleague on Saturday morning.

It was an animal themed Saturday in the UCD AFC Superleague as Red Bull were joined by Elvery's elephant to support Superleague's class of 2010/11.

The combination of Red Bull's energy drinks and Elvery's elephant shouting encouragement from the sidelines ensured nothing was left in the tank as players battled it out for the precious 3 points.
