

UCD AFC visited St Raphaela's School in Stillorgan during the month of January.

Ms Clarke and all the Girls in First Year in St Raphaela's threw open the school doors and welcomed First Team Manager Martin Russell and First Team Goalkeeper Ger Barron.

During the month of January UCD and St Raphaela's Secondary School teamed up to deliver a schools programme that sought to combine education and coaching. Over the four weeks, topics as diverse as "An Introduction to UCD", "Nutrition" and an "Anti Racism Campaign" with Show Racism The Red Card were combined with expert coaching from Martin and Ger.

The Girls and their teachers will be special guests at UCD's first game of the 2011 Airtricity Premier Division against Derry City in the UCD Bowl on March 11th.
