

UCD AFC visited Oatlands during the month of February.

Marting Russell and Ger Barron were on the road again in February as they took UCD AFC's "Students in Schools" programme to Oatlands College in Stillorgan.

Another vibrant group of 5th Year Students welcomed Martin and Ger and made sure they felt at home.

4 weeks of Coaching and discussion of issues relating to football like nutrition, education and anti racism ended on a glorious sunny day. The boys from Oatlands will join us at the UCD Bowl on Friday 11th March to cheer on Ger and the rest of his team mates as they take on Derry City in the Premier Division of the Airtricity League.

The 5th Year group coincidentally included James Kavanagh, one of Martin Russell's close season signings.
