

## **WASHOUT IN WEXFORD**

Friday, 05 February 2010 09:39

---

WASHOUT IN WEXFORD! So much for summer soccer! Just when we were congratulating ourselves for scheduling the recent snow snap outside the Irish soccer season, the elements have bitten back to postpone the opening of UCD's pre-season programme of friendlies. Now it's rain, falling without remission in Wexford, that has proved too much for even the excellent facilities at Ferrycarrig Park and tonight's match with Wexford Youths has been called off because of a waterlogged pitch. So it'll be training as usual for the Students today with the home encounter with Monaghan United on Sunday week 14th February first up. The match will be played on UCD's Leinster League pitch in Belfield. Full details and kick off time to follow.
