

After the disappointment of relegation from the LSL Senior Sunday division, Diarmuid McNally and his side are determined to bounce straight back up this season to get back to the top tier of amateur football.

It's been a long hard pre-season, overseen by our strength and conditioning coach Eoin Clarkin in order to ensure everyone is in the best possible condition for the season ahead. Pre-season has been ongoing since the start of July and everyone is now gunning for the season to start, with our opening game a difficult task against Tolka Rovers tomorrow morning (Sunday) at 11am on the Thornfield pitch in Belfield.

Pre-season results have been good, with eight games played, six wins, a draw and just a single defeat, scoring 26 goals and conceding 11. Gareth Coughlan will be looking to take his good form into the season after finishing top goalscorer with seven goals.

Pre-Season Results:

UCD AFC 3 - 0 Maynooth (Byrne, McConville, Whelan)

Lucan 3 - 1 UCD AFC (Brown)
