

Trio named in Ireland U21s Line-Up

Neil Farrugia, Liam Scales and Conor Kearns were tonight all named in Stephen Kenny's first starting line up since he took over as the new Ireland under 21s manager.

As part of their preparations for the upcoming UEFA U-21 European Championships campaign, which starts in March against Luxembourg at Tallaght Stadium, Stephen Kenny named a home based squad for a training camp and friendly, with the majority of the U-21 training camp squad has been selected from the SSE Airtricity League with two players selected from the Northern Irish Premiership.

Neil Farrugia played a big part in the only goal of the game, as he broke brilliantly down the left wing before crossing for Brandon Kavanagh to tap home. All three of our players will be pleased with their performances, and hopeful of forcing their way into selection consideration for Stephen Kenny's first full under 21 squad in March, with Neil Farrugia being named man of the match by Extratime.ie
