

The 2011 Superleague Season drew to a close with two closely fought Superleague Cup Finals.

LM Mountaineers took on The Absolute Gents in the Final of the Superleague League Cup. LM Mountaineers twice came from behind to climb a seemingly insurmountable peak to claim their prize. 3-2 was the final score as The Absolute Gents were left to rue a series of missed opportunities and questionable refereeing decisions.

The UCD Bowl played host to the Bank of Ireland Cup Final as Bean FC took on AC Alltlesiluettoofmilan. Bean FC's vocal following was silenced early on as AC took advantage of a Bean FC goalkeeping error to grab a quick fire lead. Bean FC toiled through the rest of the game creating numerous chances but failing to capitalise. AC for their part always threatened on the break and were deserving winners of the Supreleague Showpiece event.
