

The legend that is the Superleague returns to campus and with it comes the inevitable craziness that the Superleague brings!

Registration is now open so get recruiting and start putting your squad together for one of the biggest challenges a UCD Student will face in their time in UCD, Superleague Glory! After the success of this year's Summer Superleague, and with restrictions continuing to ease, the Superleague returns once more, with action set to get underway the weekend of the 2nd / 3rd October.

Being good at football is not important, being crazy and possessing a good sense of humour is all that matters, as refereeing decisions may vary in quality! So get your mates together, pick a team name and get your team registered for the years Superleague!

Register Your Team:

To register your team, complete our new online application form through the Superleague ClubForce system to reserve your place. Registrations must be completed by Tuesday 28th

September at the latest, but reserve your place as soon as possible to avoid missing out!
