

Gordon O'Callaghan caught up with one of Superleague's longest serving teams.

The Superleague season is nearly upon us and as UCD's Freshers pull their teams together in a frantic search for talent, football related or otherwise, we put Back Door Bouncers in front of the camera and asked them to explain why, year after year they come back for more.

The answer is fairly straight forward, if you are a Student in UCD and you like to play hard and party harder, the Superleague is the league for you.
