

The Superleague will make a welcome return to action after the UCD two week break.

The UCD AFC Superleague took a well earned break over the last 2 weeks but it is back with a bang, starting on the 20th of March. There are fixtures in all league competitions and both the League Cup and the Bank of Ireland Cup. There is plenty of action to keep everyone busy so don't forget to check the fixtures and make sure you are there to make your presence felt as the Superleague season reaches a crescendo.

All the details are in the Superleague section of this website.
