

The AIB Superleague is back for another year of thrills and spills, and this year promises to be bigger and better than ever!

The legend that is the AIB Superleague returns to campus and with it comes the inevitable craziness that a competition with over 60 teams, and 1,000 players can bring. Registration is now open so get recruiting and start putting your crack squad together for one of the biggest challenges a UCD Student will face in their time in UCD, Superleague Glory! With 2 Cup competitions and 4 League Divisions there is plenty of football to be played.

Being male and holding a valid UCD student card are a good place to start, being crazy and possessing a good sense of humour also helps, as refereeing decisions may vary in quality! So get 18 of your mates together, pick a team name and get your team registered for Superleague 2017/18!

Download the Superleague forms [here](#), fill them in and return them to the UCD Sports Office for the attention of Diarmuid McNally. Forms are also available at the UCD Sports Office and will be available at the Soccer Stand at the Sports Expo during Freshers week (18th to 21st September).
