

Conor Kearns scores last minute bicycle

It's not too often you see a goalkeeper score, let alone score a bicycle kick, however that's exactly what happened in our under 19s team's league game against Cork City.

Trailing 1-0 in the dying moments of the game, UCD manager Maciej Tarnogrodski signalled to our keeper Conor Kearns to go up for a 94th minute corner as we went in search of a late equaliser.

With the ball bouncing around the box after a number of blocks, it suddenly set up for Conor Kearns and he found the far top corner with a brilliant bicycle kick with set off rapturous celebrations on the sideline!

You can watch the goal here for yourself!
